Help "Clear the Shelter" this month

It's "Clear the Shelter Month" in Calvert County and citizens are encouraged to schedule an appointment at the Linda L. Kelley Animal Shelter to meet one of the many amazing animals looking for a home. Help a friendly feline find a "furrever" home, or start a happy "tail" with a loveable dog or other animal in need of a family.

Unable to rehome an animal? You can still offer assistance through donations, volunteerism or foster care. For more information, visit the [Linda L. Kelley Animal Shelter website](#).

Homeowners' or renters' property tax credit relief

The Maryland Department of Assessments and Taxation is urging Maryland homeowners and renters to apply for property tax credit through their [online application system](#).

The tax credit program provides relief for homeowners by setting a limit on the amount of taxes owed based on income and for renters who pay high monthly rent relative to their income. Visit online to apply or determine eligibility or call 410-767-4433 or 1-800-944-7403 (toll-free within Maryland).

Calvert County Government continues to share the latest updates surrounding our county's response to COVID-19 including any precautionary measures, guidance and closures through a [virtual resource center](#). You can also receive updates on the [county's Facebook page](#) and Comcast Channel 6.
